

REMARKS

The Examiner is thanked for the thorough examination of the present application and the allowance of claims 2-14. Only claim 1 was rejected, and that rejection has been rendered moot by the cancellation of claim 1.

Applicant has also amended the specification to incorporate the examiner's suggestion. In view of the foregoing amendments, this application is now in condition for allowance.

If the Examiner believes that a telephone conference would expedite the examination of the above-identified patent application, the Examiner is invited to call the undersigned.

No fee is believed to be due in connection with this amendment and response to Office Action. If, however, any fee is believed to be due, you are hereby authorized to charge any such fee to deposit account No. 20-0778.

Respectfully submitted,
